Praxis Peace Institute presents

A Seminar and Tour of Cooperatives in the Emilia Romagna region of Italy

BOLOGNA, ITALY
September 15 - 21, 2013

Bologna, Italy

Praxis Peace Institute is offering a 6-day seminar and tour to examine the inner workers of worker-owned businesses in the Emilia Romagna region of Italy. Our seminars will be held in the world oldest university, the University of Bologna, and the tour will include visits to several cooperatives in the region, including a ceramic tile manufacturing company, food co-operatives, and cooperative headquarters in the region.

Highlights include:
• Seminars with leading economists and sociologists in the region.
• Visits to worker-owned businesses throughout the Emilia Romagna region (Parma, Modena, Imola, and others).
• Easy access to nearby Florence and Venice.
